Celebrate

every occasion is a reason
to celebrate....we can help you do it in style !!

CELEBRATE THE GOOD TIMES

Let CASTELO CONCEPTS organize your event.

Celebrate the good times without the stress and hassle that comes with planning an event!

We design and deliver functions to suit your company objectives and budget with a genuine commitment to delivering results for you.

We have the highest standards in all areas of catering, venue sourcing and project management for our corporate clients.

With our talented team of individuals, we will take care of every detail of your event. Our events operations are a division of the CASTELO GROUP of restaurants that has been established in Hong Kong for over 21years.

The CASTELO GROUP boasts successful brands as Jaspas, Oolaa ,Wagyu, Pepperonis, and Zaks, and the events team work hand in hand with them. This ensures our customers have the backup, resources and support that comes with our large group of restaurants, as well as our long standing ties with specialist suppliers and various venues around
Hong Kong.

Entertain

your guests in a way that will give them a lasting impression

YOU'RE PLACE OR OURS

Looking for the perfect venue for your company's event?

If you know what you want, that's great! CASTELO EVENTS can interpret your ideas and move them from page to stage.

With over 16 restaurants in our stable, plus a variety of unique outdoor venues, you can be assured of the perfect venue to hold your function.

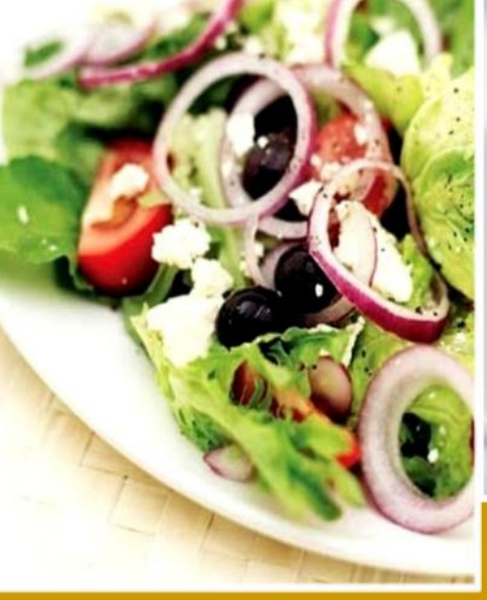

We can do a boardroom lunch for 5 people or a beach picnic for 500 people. We are comfortable catering from 5 people to 1000, as we've an abundance of experience and combined knowledge between our team.

To enable us to deliver the most effective event, we spend time to really understand your corporate environment and unique requirements.

The key to any successful event is being 100% client focused. We are flexible and anticipate the client's needs and put ourselves in your shoes.
What would I want if I were the client?

Our attention to the small details will make the event you choose one to remember.

Great Food

is the cornerstone of
a great event....we have the range,
quality and versatility to meet your every need.

FOOD GLORIOUS FOOD

We take our food very seriously and have been satisfying diners in Hong Kong for the past 2 decades.

We know that the food offered to your guests can make the difference to any successful event.

We realize that our clients need flexibility. Hong Kong's multicultural mix of people want the opportunity to mix and match from various cultures and tastes.

With so many restaurants in Hong Kong, we employ many professional and talented chefs, who can create the perfect menu for you. Our chefs can make virtually any menu items required.

We will suggest menu plans and give you the opportunity to try the food at one of our restaurants. This way you can see and taste the food, and feel satisfied, knowing what will be served at your function.

From our signature dish '*mouthwatering Wagyu Steaks'* to piping hot, fresh Pizza to delicious canapés, we can produce all these for your event. Depending on the event and location, we can cook onsite, or bring pre made goodies!

Rest assured, when it comes to food, we will leave you satisfied .....every time!

Fun Times

Its time to get the party started,
set the mood for your guests with
a great range of entertainment options
